We are having our annual garage sale (a little late) at our October meeting. Bring your extra stuff to give away, sell or trade. Usually lots of good deals. We got rained out in September. (There was some good stuff there to be sold).

### From Our President Jack Harper:

Fellow Carvers,

Hard to believe we are coming up on October. Fall is in the air.

Thanks to those who showed up for the 3<sup>rd</sup> Tuesday carving in September. It was originally scheduled for being at the park, but was changed to the fire station due to poor weather. We had fun carving and shooting the breeze as usual.

We have the opportunity to carve in the Saginaw County parks again next year. It will be something we can discuss, but it is looking like we will add park carving days rather than having them for the 3<sup>rd</sup> Tuesday carving nights. Any suggestions for days will be considered. Maybe a weekend day occasionally would be good for promoting the club to the public.

The Saline Show is coming up quickly, October 2<sup>nd</sup>.

Please support our fellow carvers by attending the show or getting a table. The Metro Show is also in October, the 30 and 31<sup>st</sup>. Fruitbelt show is the following weekend November 6 and 7<sup>th</sup>.

Elections are coming up in November for board members, please attend all meetings to make your voice and votes count. Nominations will be taken at the next meeting.

The board is continuing to work on the mini seminar for our club and some other teaching opportunities moving forward.

Hope the chips and sawdust is flying in your shops, see you all soon.

**Jack Harper II, President**
